

## Product Safety Recall

### Tandem Trike

**Product description:** Tandem Trike sold by Toys"R"Us nationally between the period of June 2010 and February 2011

(Skn 339245/ Item #4109/  
Barcode #9323247041096)

**Defect:** In some instances the weld joint between the handle bars and the frame of the trike may fail.

**Hazard:** If the hazard occurs whilst in use the trike may collapse which may cause serious injury to the user.

**What to do:** Customers are asked to cease using the product and return it to their nearest Toys"R"Us store for a full refund.
