

Product Safety Recall

MEMOREX DUAL CONTROLLER CHARGING KIT & MEMOREX PREMIUM STARTER KIT.

www.memorex.com.au

These products have been sold by Dick Smith nationwide since October 2010.

Once removed from the packaging the items can be identified by the model identification (DUAL CONTROLLER CHARGING KIT) on the rating label which is located on the bottom of the product.

Defect

In rare cases the charging bases may overheat and cause the plastic to melt and deform.

Hazard

Charging base may become too warm (hot) to safely touch.

What to do Customers are asked to stop using the product and return it to your nearest Dick Smith store for a replacement or full refund.

Imation ANZ Pty Ltd apologises for any inconvenience caused.
