

Product Safety Recall

dusk Australasia takes product safety very seriously and wishes to advise Customers of a product recall of the "Frederick" MoodFlame™

Frederick MoodFlame™ Stock number 5674

Sold at dusk stores nationally from 20th July 2010 to 28th January 2011

Defect In some instances the steel draw may buckle out of shape during use preventing it from closing properly and extinguishing the flame.

Hazard If defect occurs whilst in use the draw may slam if forced spilling fuel creating a risk of fire.

What to do Customer's are asked to cease using the Frederick MoodFlame™ immediately and return it to their nearest dusk store for an exchange for an alternative MoodFlame™ model or a full refund on the fireplace purchased.

dusk Australasia apologises for any inconvenience caused.
