ADS International Trading as a responsible supplier is conducting a Recall of the ADS ToughTool brand Elastic Strap (Item No. HA420-18, HA420-24, HA420-36, HA420-48 respectively).

Defect
 There is a concern that the size and wording of the text in the warning label does not meet the Australian Standard for elastic straps. This can potentially result in misuse resulting in injury to the user

Hazard
 Correct labelling is WARNING Avoid eye injury.
 DO NOT overstretch. ALWAYS keep face and body out of recoil path.
 DO NOT use when strap has visible signs of wear or damage.

What to do
 Consumers should immediately stop using the strap and contact ADS Toughtool to receive a correct label , replacement or full refund

Contact Details
