IKEA recalls children's bed canopies for risk of strangulation

IKEA kindly asks customers who have a bed canopy from IKEA intended to be draped around children's cots/beds to stop using it with infants and small children and bring it back to any IKEA store for a full refund.

The affected bed canopies are: LEGENDARISK, MINNEN bed canopy set, BARNSLIG BOLL, MINNEN Brodyr, HIMMEL, FABLER and TISSLA and KLÄMMIG.

Defect: IKEA has identified a potential strangulation hazard associated with these products.

Hazard: IKEA has received reports of entanglement when net is pulled into the cots/beds and entangled around infants' necks. No permanent injury has been reported. The affected bed canopies from IKEA have been sold in all IKEA markets since 1996.

What to do: IKEA kindly asks customers who have a bed canopy listed above to stop using it and bring it back to any IKEA store where they will receive a full refund. No other bed canopies are affected by this recall.
