Defect: The appliance inlet on the display module of the platform scale is not secured properly. This can separate from the enclosure while removing the appliance connector from it, exposing live parts.

Hazard: Risk of electric shock

Action Required:

- Stop using the scale immediately by switching off the power at the socket outlet.
- Do not re-gift or sell the unit.
- Email recalls@newaim.com.au for instructions to disable/dispose the unit, and to arrange a full refund
- For further information on this recall, call 03 9376 0841 between 9am and 5pm, Monday to Friday except public holidays.
