

Product Safety Recall

Action Fort Swing Set, S0010492

Available from Toys R Us from July 2014 to March 2015

Defect - In some instances the Floor Mat can deteriorate prematurely and the Top Bar of the swing set can detach from its anchorage point if not installed as per instructions.

Hazard - Deterioration of the mat and separation of the top bar from its anchorage point can lead to falls.

Retailers who sold the product - Toys R Us between July 2014 and March 2015, Batch Numbers: 07 2014 and 08 2014. No other batches of the product are affected by this recall.

What to do - Please contact Action Sports for either:

- Return and refund of the product, or
- A replacement kit to be sent to you.

Contact details - Please contact Action Sports Service Centre 1800 46 50 70 for assistance.

Action Sports apologises for any inconvenience caused.
