

Product Safety Recall

**Product Description:**

6" Plush Bear (Assorted), SKN 334693

Sold at Toys "R" Us Stores nationwide between July 2012 and March 2015.

Description of the defect:

The plastic retainer behind the eyes can crack which allows the eyes to be removed.

Hazard:

The eyes are small parts and present a potential choking hazard.

What to do:

Return the product to your nearest Toys "R" Us store for a full refund. Alternatively contact Toys "R" Us if you have any questions in regards to the recall or require further information.
