

Product Safety Recall

Available in:
White & Natural

Available in:
White & Natural

Product: 4 Baby loose weave cellular blankets without satin bind sold at Baby Bunting stores nationally and online from December 2012 to September 2014

Defect: Thread may come loose and form a loop.

Hazard: If threads become loose they can pose a strangulation hazard.

What to do: Stop using the blanket immediately. Consumers should return the blanket to a Baby Bunting store for a full refund.

Contact Details: For more information, please contact the Baby Bunting's Customer Service Team on **(03) 9575-4419** or via email enquiries@babybunting.com.au
