**Defect:** The dye stuff used during the production of these products may have contained hazardous azo-colourants.

**Hazard:** Target Australia is initiating this action as it does not meet Target Australia strict quality assurance standards. Whilst this dye stuff is not banned for textile use in Australia, expert authorities classify these azo-colourants as carcinogens. Exposure to these chemicals should be minimized.

**What to do:** Customer should cease using the product and return it to a Target store to obtain a full refund of the purchase price. If you require further information, please contact our Customer Experience Centre on 1800 814 788.

**See [www.recalls.gov.au](http://www.recalls.gov.au) for Australian product recall information.**
