

Product Safety Recall

Reindeer Snap Wrist Band

Distributed as a gift at selected Westfield centres in NSW, ACT, QLD and WA in November 2013.

Defect: The metal inner of the snap wrist band may push through the fabric casing and become exposed.

Hazard: If exposed, the metal may cause harm or cause cuts.

What to do: If you have one of these products please ensure that it is no longer used. Please return it to the Westfield centre it was received from for a replacement gift.

Contact Details: For further information contact your local Westfield centre or phone 02 9358 7000.
