

Product Safety Recall

Dulux Metalshield Cold Galv Spraypak

Product: Dulux Metalshield Cold Galv Spraypak (Silver colour only). This product is for industrial and trade use and is sold through trade centres, trade outlets and a small number of hardware stores in regional centres.

Defect/Hazard: The product label has incorrect information about the formulation of the product and is printed with incorrect risk statements. Dulux is relabelling the product with a new label that contains the correct new information as to the product's formulation and risk statements.

What to do: It is safe to continue to use this product in accordance with the new information. Dulux will send a letter to the trade customers whom Dulux has identified as having bought the product and provide them with the information regarding correct formulation and risk statements.

Other purchasers of the product should visit <http://msds.duluxgroup.com/pdf/shess-en-cds-D010-000000021867.pdf> to view the new information for the product or visit a Dulux Trade Centre to obtain the new information.

Contact Details: DuluxGroup (Australia) Pty Ltd, 1956 Dandenong Road, Clayton VIC 3168. For further information go to www.duluxprotectivecoatings.com.au or call 13 23 77.
