

# ELECTRICAL SAFETY RECALL

## Screw Connector

Bizline # SCS100 & SCD050

### IDENTIFICATION:

Screw Connector single screw 32amp 2 x 6mm, Screw Connector double screw 32amp 2 x 6mm.

Part #SCD050

Part #BIZ390051

Part # SCS100

Part # BIZ390050

Batch # DT32503, DT64104, DT08807, DT32503, DT64104, DT08807

Units sold by John R Turk, Rexel Electrical Supplies, Ideal Electrical Supplies, Lear & Smith and Electrical Industrial Wholesalers

### DEFECT:

When the screw is tightened in the screw connector, the connector housing may crack. In addition, if the cable is not properly secured in the housing this may cause a “hot spot” to develop and may pose a fire hazard.

### HAZARD:

If the defect occurs, the product may pose an electrocution and/or fire hazard.

### ACTION REQUIRED:

Please return to your nearest John R Turk, Rexel Electrical Supplies, Ideal Electrical Supplies, Lear & Smith and Electrical Industrial Wholesalers to obtain a refund.
