

Product Safety Recall

Sitro Group Australia Pty Ltd is undertaking a voluntary recall of the Gasmate Butane Torch Model BT1000 purchased between 13/10/2015 - 31/1/2016.

Defect: When the torch is engaged with the gas cartridge as detailed in the manufacturer's instructions a gas leak may occur.

Hazard: Consumers may be at risk of injury from a potential gas leak.

What to Do: Consumers should stop using the product immediately. A replacement unit is currently being tested and finalised and will be ready in short order. Consumers can register to receive a replacement unit or they can contact Sitro Group Australia to discuss an alternative remedy. For further information, please call Sitro Customer Service Line on 1300 174 876 or Email: productsafety@sitro.com.au.

Sitro Group Australia is recalling the product to ensure the safety of our customers as an ongoing commitment to maintain the highest possible standards of safety and product quality at all times
