

# Product Safety Recall

## RADUM 900KG CAR RAMP

Radum is conducting a recall of the 900kg car ramps sold in pairs. The car ramps have been sold online and at Radum's premises between 2009 and May 2016 and shown as Part Number SX2201 on invoices.

**Defect:** The car ramps do not comply with the mandatory Australian Safety Standard.

**Hazard:** This may pose a safety hazard if use is continued.

**What to do:** Customers should stop using their car ramp and contact Radum for a full refund of their purchase price on return of the ramps.

Radum will contact all customers for which it has contact details, to arrange return and refunds.

**If you have purchased a Radum 900kg car ramp, and have not yet been contacted by Radum, please contact Radum staff on 03 9338 9009.**
