

Product Safety Recall

ABODE 2 AND 4 SLICE TOASTERS

Big W takes product safety very seriously and wishes to advise customers of a product recall on the following products:

<p>ABODE 2 SLICE TOASTER MODEL NO. KT-3023A (Keycode 8295098)</p>		<p>ABODE 4 SLICE TOASTER MODEL NO. KT-3083A (Keycode 8295229)</p>	
---	---	---	--

These products have been sold in Big W stores nationwide from 12 December 2012 to 1 February 2013.

Once removed from the packaging the items can be identified by the Abode logo on the side of the appliance. The model number KT-3023A (2 slice toaster) and KT-3083A (4 slice toaster) can be found on the rating label on the base of the appliance.

Defect: Big W is recalling these products due to a potential safety hazard. In some units, the wiring inside the toaster may be able to touch hot parts, causing damage to the insulation. The toasters are being recalled as a precautionary measure to minimise this risk.

Hazard: There is a potential electric shock hazard.

What to do: Customers should immediately unplug the product and return it to any Big W store for a full refund. No other products in the Abode range are affected.

Big W apologies for any inconvenience caused. If further information is required customers are invited to call:

Customer Service number: **1300 244 999**

See www.recalls.gov.au for Australian Product Recall Information
