

Product Safety Recall

KMART KICKER & BUBBLE SET, SE-10

Sold at K Mart: 1/09/2010 – 15/07/2012

The set includes an inflatable float kick board and an inflatable pad. The inflatable pad is fitted to a child's back using straps.

Defect: In a small number of cases the stitching on the strap attached to the inflatable pad has been inadequately sewn. This may lead to the strap detaching from the inflatable pad and if this occurs the floatation aid may separate from the user.

Hazard: If the breakage were to occur during use in the water, this could cause serious injury or death by drowning.

What to do: Return the product to the place of purchase for a full refund. For more information, please contact 1800 224 094 or enquiries@hunterproducts.com.au.
