

Product Safety Recall

**Dux MP15, MP20 and
EcoSmart Intelligent Hybrid
Gas Boosted Solar Tanks**

**Models: DN15DS, DL15DS, DN20CS,
DL20CS, DN15CS, DL15CS, 3D1NS, 3D1NE,
EN15DS, EL15DS**

**(tank model numbers as per
compliance sticker on unit) sold between
June 2011 and June 2012 inclusive.**

Defect: Incorrectly wired water pump

Hazard: Under possible circumstances, there is a small risk of electrical shock, however this is unlikely. **There is no risk if the unit is producing hot water.**

What To Do: Turn power to the water heater off at the power point, unplug cord and immediately call 1300 270 485 to organise a safety inspection.

Contact Details: Contact the Dux Recall Hotline on 1300 270 485, Mon–Fri 7.30am–5.00pm or Saturdays 8am–1pm or email recall@dux.com.au
