

# Electrical Safety Recall

**PRODUCT:** Fireplace heater EFEH110

**BRAND NAMES:** Evantair

**SOLD:**  
Sams Warehouse

**PRODUCT INFORMATION:**

As a precaution Link Technology is conducting a recall for the above branded fire place heater sold in Sam's warehouse in 2012.

**HAZARD:**  
Risk of Fire

**DESCRIPTION OF DEFECT:**

There is a possibility of a high resistance joint in the fuse holder , this can cause it to overheat, potentiallyly ignite and leading to fire .

**DATES THE PRODUCTS WERE SOLD:** 29 Mar 2012 – 4 th June 2012

**CONSUMER ACTION:**

We recommend that consumers cease use of the fireplace heater immediately and disconnect from power supply.

Please simply phone 1300 429 394 between 9:00 am - 4:00 pm (Mon-Fri AEST) for this recall. To log your details and be advised to return your product to place of purchase for refund.
