

ELECTRICAL SAFETY RECALL

SCA 160 AMP ARC WELDING MACHINE SMART-160BS (PLU 223806)

Supplied by Supercheap Auto Pty Ltd and sold through Supercheap Auto stores in Australia since 1st September 2010.

Hazard: Non Conformance to Safety Standard

Plug and cord attachment to the welder is not manufactured to the required 15A rating and the product therefore does not meet Australian electrical safety standards.

What to do

Customers should immediately cease using the product above and return to their nearest Supercheap Auto retail store for a full refund.
