

# ELECTRICAL SAFETY RECALL

Self-balancing scooter / hoverboard with charger

## Identification:

The charger, model JN-L10S20, was supplied with the self-balancing scooter / hoverboard.

The model number along with other markings is located on the body of the battery charger.

## Where the product was sold:

The product was sold nationally on [www.gumtree.com.au](http://www.gumtree.com.au) in December 2015 by TCB Contracting NSW.

## Defect:

The self-balancing scooter / hoverboard and charger may not be compatible and can cause the enclosed battery to ignite.

The battery charger does not display the required Australian approval mark for electrical safety.

## Hazard:

Risk of fire

## Action required:

- Stop using the charger immediately, switch off the power at the socket outlet and unplug it.
- Do not use the scooter / hoverboard.
- For a full refund and further information on this recall, contact Brian Smith on 0414 890 071
