

# Product Safety Recall

## Product description

BARBECUE – 6 BURNER SOLID HOTPLATE – 'JUMBUCK' – MODEL BG1507B6 Item Number 3171031  
Batch numbers are labelled on the side of the unit, numbers are 1516, 1518, 1522, 1525, 1529 inclusive.

*Sold since June 2015 (Price: \$299.00)*

## What are the defects?

In isolated cases, burners may not align correctly with the gas delivery jets. Upon ignition the gas within the barbecue burner is likely to light at the jet rather than only at the burner ports.

## What is the hazard?

If the defect exists, the flame at the jet may cause its corresponding plastic control knob on the outside fascia of the barbecue to get very hot. This may result in burns to the fingers upon contact with the knob.

## Where the product was sold

Nationally

## Traders who sold this product

Bunnings Warehouse

## Supplier

Bunnings Group Limited

## Supplier's web site

<http://www.bunnings.com.au>

## What should consumers do?

Customers should stop using the barbecue and return item to the nearest Bunnings store for a full refund.
