Why the product is recalled: The power banks contain a lithium-ion battery that can overheat, swell and/or bulge posing a fire hazard.

Hazard: There is a risk of injury from burns and/or property damage if the battery starts a fire. There have been incidents resulting in injury and damage to property.

1. Consumers should immediately stop using the product and contact Baseus to receive a full refund.
2. Consumers should dispose of the product in accordance with the local requirements for disposing of lithium batteries. Do not throw the product in the rubbish, home recycling, or public recycling boxes.

For more information or to arrange a refund consumers can contact Baseus via 1800 954 260 from 9 am to 5 pm Monday to Friday, visit <https://www.baseus.com/pages/product-recall-au>, or email productrecalls-au@baseus.com

Purchased from: eBay, Crazy Parts Pty Ltd and AliExpress.
