

Product Safety Recall

Do you own this product?

Certain batches of fall arrest harnesses

- Petzl NEWTON (European version) (SKU C073AA01 and C073AA02)
- Petzl NEWTON FAST (European version) (SKU C073CA01 and C073CA02)
- Petzl NEWTON EASYFIT (European version) (SKU C073EA00, C073EA01, and C073EA02)
- This recall also affects NEWTON harnesses (C073AA01/C073AA02) included in the ASAP FALL ARREST KIT (K093AA00/01/02/03) and ASAP LOCK FALL ARREST KIT (K094AA00/01/02/03).

Manufactured in 2022. See below for batch information.

Dates sold: 1 July 2022 to 30 April 2023

Why the product is recalled: These harnesses may contain defective FAST LT buckles which may fail during use.

Hazard: Risk of serious injury or death from falling if the Fast LT buckle fails during use.

1. Stop using affected harnesses immediately
2. Visit <https://www.spelean.com.au/pages/newton-recall-2025> to arrange to return harnesses for inspection and if necessary replacement.
