**Why the product is recalled:** The tyre beading may separate (unseat) from the rim. This will cause the tyre to immediately and completely deflate.

**Hazard:** Risk of serious injury or death if the tyre separates from the rim and causes the user to lose control of the bicycle or cause an accident.

1. Consumers should stop using the tyres immediately and check if they are affected by the recall.
2. Contact the place of purchase or Pirelli for replacement of the tyres free of charge or a refund.
3. Consumers can email Pirelli at [contactcentreyres.au@pirelli.com](mailto:contactcentreyres.au@pirelli.com)
