

Product Safety Recall

Do you own this product?

240V 12Hour Programmable Mains Timer

Product SKU: MS6117

Dates sold: 5/1/2024 - 15/2/2024

Why the product is recalled: The timer does not comply with the relevant Australian standard as it may not allow appliances connected to it to earth correctly due to insulation material being present on the earth plug pin.

Hazard: There is a risk of serious injury or death from an electric shock.

1. Consumers should stop using the product immediately.
2. Consumers should return to their place of purchase for a refund.

Ask our staff to find out more about the recall.
