

Product Safety Recall

Do you own this product?

Youth quad bikes

There are two models affected by this recall:

- ATV-3EB
- ATV-8E

These ATVs are available in various colours

Dates sold: 01/06/2021 – 22/08/2023

Why the product is recalled: The bikes do not meet the mandatory standard for quad bikes and general use quad bikes.

The quad bikes are missing the required warnings and has not been tested for lateral stability.

Hazard: There is a risk of serious injury or death if the bike tips over or if consumers are not aware of safety information and warnings before using the quad bikes.

1. Consumers should stop using the quad bike immediately.
2. Consumers should contact Eazybikes to make arrangements for their quad bikes to be fitted with the required warnings and to be provided the stability information for the affected quad bikes.

Ask our staff to find out more about the recall.
