

# Product Safety Recall

## Do you own this product?

### MINIVERSE Make It Minis

- Collectible model making kits for miniature replicas of food, plants, snacks, desserts and other items.
- Sold in kits or as single items.
- Contain liquid resin used for making the models.

Dates sold: 1 March 2023 – 18 July 2024

**Why the product is recalled:** The “Make It Mini” sets contain resins that, when liquid, can cause skin, eye, and respiratory irritation when inhaled, touched, or ingested by children or adults.

**Hazard:** Risk of injury from the liquid resin including skin, eye, and respiratory irritation or sensitisation when inhaled, touched, or ingested by children or adults.

Injuries have occurred following exposure to the liquid resin.

1. Consumers should stop using the “Make It Mini” products with unused liquid resin immediately. Consumers should not open any packaging containing the liquid resin.
2. Consumers can return any unopened recalled products to their place of purchase to receive a full refund.
3. If the product has been opened and there is unused resin, dispose of the resin portion of the product immediately.

### Important notice from the ACCC to consumers:

If consumers do not accept the above remedy, they can access their rights under the Consumer Guarantees which may entitle them to a full refund.
