

Product Safety Recall

Do you own this product?

GiGwi Pet Droid Motion Active Mouse

Toy mouse for cats. Contains a button battery.

Dates sold: 01/07/2022 – 21/04/2023

Why the product is recalled: This product doesn't comply with [the mandatory standard for products containing button/coin batteries](#). The battery compartment doesn't contain a captive screw designed to ensure the compartment is resistant to being opened by children.

Hazard: There is a risk a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and ingest them. Button batteries also pose a choking hazard to young children.

1. Consumers should immediately stop using the toy and place safely out of reach of children.
2. Consumers can email info@gigwiaustralia.com.au to receive a replacement product of the same value, or a refund and instructions about safe disposal of the product.
3. Send us an email or phone us if you are unable to return the product or have sold or gifted it to another person

For more information, please contact Gigwi Australia on info@gigwiaustralia.com.au or by phone on 02 9607 9033.
