Do you own this product?

Airbag Man — Airbag Man inflation coil and wand with digital gauge

Coiled hose and wand with a digital gauge. The product attaches to an air compressor to inflate tyres and other air products.

Part number: AC7401A

Digital gauge contains 2x CR2032 button batteries.

Product was supplied individually and with other air control system kits.

Dates sold: 23/12/2022 – 11/10/2023

Why the product is recalled: The product does not comply with the [mandatory information standard for products containing button/coin batteries](#). The product does not include the required warning information.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow or place them inside their body. Severe or fatal injuries can happen in 2 hours or less.

Consumers may be unaware that the product contains button batteries.

Consumers should stop using the product immediately, keep it out of reach of children and contact Airbag Man to receive a warning label free of charge to attach to the product.

Consumers should contact Airbag Man via email at recall@airbagman.com.au or phone 1800 247 224 (+61 7 3889 6556 for outside of Australia) 8:00 am to 5:00 pm (AEST), Monday to Friday.

Purchased from: Various vehicle parts and component suppliers.
