

Product Safety Recall

Do you own this product?

Double Barrel Foot Pump

Digital gauge double cylinder foot pump.

Supplied with a button battery.

SKU: MTDBFP

Dates sold: 9 February 2024 – 27 May 2024

Why the product is recalled: The product does not comply with [the mandatory standards for button/coin batteries](#). The button/coin battery packaging is not resistant to being opened by young children, does not release only a single battery at a time and does not include the required warning information.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries. This can occur within 2 hours of swallowing or placing them into their bodies.

1. Consumers should store the button batteries out of reach of children.
2. Consumers can return the product to the place of purchase to receive a refund or replacement.
