

# Product Safety Recall

## Do you own this product?

**Vac-U-Seal vacuum sealer container 2.7L**

Dates sold: 1 November 2023 – 9 November 2024

**Why the product is recalled:** The glass lid or the container can break from the pressure created from excess air being removed when using the Vac-U-Seal Vacuum Sealer Wand.

**Hazard:** Risk of injury from laceration if the glass lid or container breaks.

1. Stop using the product immediately and dispose of it appropriately.
2. Contact The Mix Australia to arrange a refund of their purchase price or a gift card to use in The Mix Shop.
