Why the product is recalled: The product does not comply with the [mandatory standard for bean bags](#).

The products do not have a child-resistant fastener (zipper) to prevent access to the filling.

Hazard: There is a risk of choking or suffocation in young children, leading to severe injury or death, if they access the polystyrene bean filling or climb inside the bean bag.

Consumers should stop using the product immediately and keep it out of reach of children.

Consumers should return the product to the place of purchase for a full refund.
