

Product Safety Recall

Do you own this product?

QBD Books - Hands Free Reading Book Light – Black

A clip-on LED book light with flexible arm. The light is button battery operated and can be identified by the product packaging barcode 9338707110946.

Dates sold: 19 December 2022 – 2 February 2023

Why the product is recalled: The product was sold without the warning information that is required for products containing button/coin batteries.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and ingest them. Consumers may be unaware that the product contains a button battery.

1. Stop using the product and store out of the reach of children.
2. To obtain a copy of a warning about the button battery contained in the above product, consumers should contact QBD Books:
 - In store
 - Phone: Find your local store via <https://www.qbd.com.au/locations/>
 - Email: productsafety@qbd.com.au
 - Online: <https://www.qbd.com.au/productsafety/> (or scan QR code)

For more information, please contact QBD Books via the contact methods mentioned above and QBD Books will provide the updated warning information.

Purchased from QBD Books stores nationally and online.
