### KAON Pty Ltd - Windshield set to suit Thetford brand gas stoves

A stainless-steel circular shield installed over the top of a Thetford gas stove to protect the flame from wind when cooking outdoors.

Windshield set to suit Thetford stoves can be identified by the code printed on the inside of the shield:

- KS0690 (4-burner)
- KS0678 (3-burner)
- KS0681 (2-burner)

Dates sold:  
27 April 2023 to 10 August 2023

**Why the product is recalled:** The design of the windshield can concentrate heat onto the gas stove surface.

**Hazard:** There is a risk of serious burn injury to consumers and/or property damage resulting from the hot stove surface including items directly under the gas stove.

1. Stop using the windshield product(s) immediately and uninstall/remove the product(s) from the stove.
2. Follow the instructions on the recall webpage <https://www.kaon.com.au/windshield-recall> to return the product and receive a full refund for both the product and return post costs.
