

Product Safety Recall

Do you own this product?

Continental ProContact GX AO passenger car tyres

Tyre size: 255/35R19 96H XL

The Department of Transport (DOT) serial number starts with: CP32 WMC9. This can be found on the sidewall of the tyre near the rim.

All date codes are affected.

Dates sold: 1 November 2023 – 20 August 2024

Why the product is recalled: The steel belt edges may begin to separate, which can lead to partial or full tread loss in the tyre.

Hazard: There is a risk of accident and serious injury or death to vehicle occupants and other road users if tread separation occurs resulting in a loss of vehicle control.

Consumers should contact Continental Tyres or the place of purchase to arrange replacement of the tyres, free of charge.

For further information, contact Continental by phone on 1800 316 372.
