

Product Safety Recall

Do you own this product?

KickAss rechargeable head torch - KickAss Products PTY LTD

Rechargeable head torch (model: KAHEADTORCH)

LED-powered headlamp designed for outdoor use.

Dates sold: 1 March 2025 – 23 April 2025

Why the product is recalled: The head torch can overheat during use and cause the outer casing to become excessively hot.

Hazard: Risk of serious injury from burns if the head torch overheats during use.

What consumers should do:

1. Stop using affected product immediately.
2. Visit the [Head Torch Recall page](#) and complete the recall form to receive either a replacement head torch, a refund or credit.
3. Alternatively, return the affected product to your nearest KickAss store and receive assistance in completing the recall form.

Ask our staff to find out more about the recall.
