

Product Safety Recall

Do you own this product?

Flashing clown nose

Dates sold: 22/06/2022 – 29/11/2023

Why the product is recalled: The product does not comply with the mandatory standards for products containing button/coin batteries.

The button/coin batteries are not adequately secured and are accessible by young children. The product does not include the required warning information.

Hazard: There is a risk of choking or serious injury if young children gain access to the button/coin batteries and swallow or place them inside their body.

Consumers may be unaware that the product contains button batteries.

1. Consumers should stop using the product immediately and place it out of reach of children.
2. Consumers should contact the supplier to arrange to return the item and receive a refund.

Ask our staff to find out more about the recall.
