

Product Safety Recall

Do you own this product?

50A Quad-Connect for 12V batteries.
Sold separately or as a part of a
Portable Battery Box set.

Part No. KTHDC50-4W) 50A Quad-
Connect

(Part No. KT71204) Portable
Battery Box with Voltmeter and
Power Accessories and 50A Quad
Connect

Dates sold: 1 September 2020 – 28
November 2023

Why the product is recalled: The quad connect may overheat and ignite.

Hazard: There is a risk of fire or burns causing injury if the quad connect overheats and ignites.

1. Consumers should stop using the battery box or quad connect immediately and return it to the place of purchase for a refund.
2. Send us an email or phone us if you are unable to return the product or have sold or gifted it to another person

Ask our staff to find out more about the recall.
