

Product safety recall

Honda Marine Outboard Engines

Honda Australia Motorcycle and Power Equipment Pty Ltd

Honda high horsepower four stroke petrol V6 marine engine

Recall includes 4 different models

BF350D / BF150D / BF135D / BF115J

Serial numbers are available on www.productsafety.gov.au

Reason the product is recalled

The actuator link rod in the shifting system may break during use, causing a loss of the gear shift operation.

The hazards to consumers

Risk of serious injury, death or property damage if the operator loses control of the vessel and is unable to stop. Incidents have occurred.

What consumers should do

1. Stop using boats with the affected engines until they have been rectified.
2. Contact your nearest [Authorised Honda Marine Dealer](#) to arrange a free repair. Replacement parts will be available from the end of July 2025.
