

Product safety recall

Baby kids head support

www.ezoneddeal.com.au

Product Code: Z1451, Z1758

Head Support, polyester, unisex.
Colours: Blue and red.

Dates sold: 18 October 2021 – 1 November 2022

Reason the product is recalled

Car seat head straps can increase the risk of spinal cord injury or death by altering head and neck alignment during a crash. They may also pose a suffocation or strangulation risk if they slip around the child's mouth or neck. These products are the subject of a [safety warning notice](#).

The hazards to consumers

Risk of serious injury including spinal cord injuries or death to young children if the head strap alters the alignment of the head, neck and/or spine during a vehicle accident.

Risk of suffocation or strangulation if the strap slips around the child's mouth or neck.

Incidents and injuries have occurred.

What consumers should do

1. Stop using this product immediately and dispose of it safely so it can't be used by anyone else.
2. Contact ezoneddeal.com.au for a refund or store credit or if you have sold or gifted it to another person.
