

Product Safety Recall

Kingswim Back-Bubble (22x17x4cm)
Sold at Kingswim Macarthur Square
between December 2017 - December 2018

What is the defect? The product does not comply with marking requirements of the mandatory standard 'Consumer Goods (Swimming and Flotation Aids) Safety Standard 2017' as a safety warning does not appear on the product.

What are the hazards? Users may not be aware of important safety information about the use of the product (i.e. only under constant supervision). There is an increased risk of drowning if the product is not used as intended.

What to do? If you purchased this product you should discontinue your use of it and speak to us to obtain a full refund (or, subject to availability, a replacement product if that is preferred).
