

# Product Safety Recall

## Electrical Safety Recall

**BAR Group**

**MF2601 BE 26" Industrial Pedestal Misting Fan**

240V / 50Hz / 260W / 3-Speed

Also sold with the following model numbers:

165 MF2601, PIN MF2601, and HW-26MC01

---

### Identification:

Sold between 1 March 2021 and 30 January 2024 in various industrial, trade, agricultural, cleaning and automotive suppliers. See traders list on the [Product Safety Australia](#) website.

---

### Why the product is recalled:

Disconnecting the cables or pipes to the fan, misting unit or the water pump will expose live parts.

### Hazard:

There is a risk of death or serious injury from electrocution.

---

### Action required:

Consumers should stop using the fan immediately and disconnect it from the power source.

Contact the place of purchase or BAR Group to arrange the return of the fan for a full refund or replacement fan.

---

### For further information

Contact BAR Group by phone on 02 4577 2144 (8 am to 5 pm Monday to Friday), or email [ProductRecall@bargroup.com.au](mailto:ProductRecall@bargroup.com.au).
