

PRODUCT SAFETY RECALL

Kmart Australia Ltd is recalling Metal Chair (Red, Black & White)

Keycodes 42024699, 42024705, 42122609 & 42127949.

(located on the sticker under the chair)

Available at Kmart stores between July 2014 – March 2016.

Defect: The tapering of the inside bottom of the chair legs has sharp edges.

Hazard: Risk of laceration and entrapment injuries if toes or fingers are caught in the inside bottom of the chair legs. This defect has occurred and caused injuries.

What to do: Stop using the chairs immediately and contact Kmart for a free plug insert kit. Once the plugs are in place, consumers can continue to use the chairs. Alternatively, return the chair to any Kmart store for a full refund.

Contact details: For more information please contact Kmart Customer Service on 1800 124 125 between 7am - 6pm AEST Monday to Friday or visit www.kmart.com.au.
