

Product Safety Recall

Do you own this product?

Dobinsons Spring & Suspension - Electronic Tyre Pressure Gauge

Supplied as a part of:

- Tyre Repair Kit - TR80-3809
- Recovery Kit - RK80-3801

Dates sold: 22 June 2022 – 29 September 2023

Why the product is recalled: The product does not comply with the [mandatory standards for products containing button/coin batteries](#). The button/coin batteries are not adequately secured and can become accessible to young children. The product does not include the required warning information.

Hazard: Risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow them or place them inside their body. Severe or fatal injuries can happen in 2 hours or less. Consumers may be unaware that the product contains button batteries.

1. Immediately stop using the electronic tyre pressure gauge and keep it out of reach of children.
2. Return the product to its place of purchase to receive a refund or a replacement product.

Ask our staff to find out more about the recall.
