

Product Safety Recall

LED Fidget Spinner

Defect: The toy does not have a secured battery compartment.

Hazard: If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.

What to do: Consumers should return the product to the place of purchase for a full refund. For further information, consumers can contact Ace of Hearts by emailing sales@ahwa.com.au.
