

ELECTRICAL SAFETY RECALL

Power Supply for Cricket Ball Trainer and Tennis Ball Launcher

Cricket Ball Machine
Item #2578

Tennis Ball Machine
Item #0252

Power Supply
SAA 101030EA

IDENTIFICATION:

Sold nationally at Big W: 1/06/2012 – 3/01/2013

The Cricket Ball Trainer and Tennis Ball Launcher continuously feed balls when loaded, powered by an AC power cord and power supply.

HAZARD:

The power supply has been designed for indoor use only and does not have electrical safety approval for outdoor use with these machines. If the power supply was to get wet this may result in serious injury caused by a potential electric shock.

ACTION REQUIRED:

Immediately stop using the machines. Please contact the free call customer service line on 1800 224 094 or enquiries@hunterproducts.com.au. A free of charge replacement power pack will be sent directly to you, for use both outdoors and indoors.

For further information

Please direct all calls and any queries concerning this recall to Alvin International Pty Ltd on 1800 224 094.
