### HOW TO CHECK YOUR BATCH CODE

Check the underside of your DVD Player. Locate the Serial number panel. The batch code is the 5 digit number starting with one (1)

### RETAILERS

This product was distributed nationally through major department stores, online stores and independent retailers between 01<sup>st</sup> December 2017 and 15<sup>th</sup> May 2018

### DEFECT

The 240v mains power adapter housing may separate and expose live parts. (The in-car charger is un-affected.)

### HAZARD

If this happens, the user may be at risk of electric shock.

### WHAT TO DO

Immediately stop using the 240v mains power adapter. Request a free replacement adapter direct from LASER. Lodge your adapter details online at [www.laserco.com.au/adapter](http://www.laserco.com.au/adapter) OR return the complete product to the place of purchase for a refund. For assistance call Laser Corporation Holdings Pty Ltd support line on (02) 9870 3388 between 9am to 5pm (AEST).
