

Product Safety Recall

MSD Animal Health LED keyring torch

Description: LED keyring torch in a variety of colours (purple, black, red, orange, green) available from various veterinary clinics and pet retailers as a free promotional item from 30 March 2016.

Defect: The battery compartment on the torch is not adequately secured with a screw or mechanism, allowing possible access to the button batteries inside.

Hazard: Button batteries, if removed from the torch, may be swallowed by children and cause serious internal injury. The button batteries may pose a choking hazard to young children (small parts).

What to do: Consumers should stop using the product immediately and safely dispose of or return the product to: MSD Animal Health, Attention: Customer Service. Building A, Level 1, 26 Talavera Road, Macquarie Park, NSW, 2113.

Contact details:

For further information, consumers can contact MSD Animal Health on 1800 033 461.
