

ELECTRICAL SAFETY RECALL

OZITO ELECTRIC AIRLESS PAINT SPRAYER Model No. ASG-7000

IDENTIFICATION:

All ASG-7000 units marked with the following batch numbers are covered by this recall.

The batch number is located on the side of the product (on the rating label). The product was sold through Bunnings stores nationally between June 2018 and May 2020.

Batch Numbers
2018/05, 2018/06, 2018/07, 2018/09,
2019/01, 2019/03, 2019/04, 2019/07,
2019/09, 2019/10, 2019/11, 2019/12

DEFECT:

A manufacturing defect may cause paint to enter into the internal components of the pressure adjustment dial's electric switch, causing some external metal parts of the sprayer to become live.

HAZARD:

Risk of Electric Shock

Model number on rating label

ACTION REQUIRED:

1. Immediately stop using the paint sprayer.
2. Check the model number and batch number of the paint sprayer to identify if the product is recalled product.
3. If so, contact Ozito on 1800 069 486 and return the product to your nearest Bunnings store for a refund.
